100% Owner Occupied: Yes No

Dear Commercial Property Owner:

Pursuant to Section 195.027, Florida Statutes, we are requesting the following information from owners of commercial properties:

1. If the property is 100% owner occupied, please check the box above accordingly, complete page one, and sign the bottom of page two. You need not supply any income and expense information.

OR

2. If the property is NOT 100% owner occupied:
 - a. A detailed income and expense report for the calendar or fiscal year 2008.
 - b. A detailed rent roll as of January 1, 2009. If any tenants are on "percentage leases," please state the dollar volume of sales for each tenant and the amount of "percentage rent." Please show "pass thrus" of common expenses, taxes and the like for each tenant.
 - c. A copy of your latest tax return in which the subject property is shown as an asset (i.e. I.R.S. forms 1040, 1120, 8825, 1065), and the Depreciation Schedule.

Under the provisions of Florida law, information you supply is STRICTLY CONFIDENTIAL in the hands of the Property Appraiser. It will not be released to anyone not legally entitled to it.

With this information, our office can accurately determine a fair and just market value. Based upon previously established case law, failure to submit the requested information will prevent you from using this information to seek a lower assessment with the Value Adjustment Board.

If you have any questions, please contact the office at 954-357-6835.

Thank you for your cooperation. All information must be received in our office by April 17, 2009.

Sincerely,

A handwritten signature in cursive script that reads "Lori Parrish".
