I, William Markham, the Property Appraiser of Broward county, Florida, hereby certify that all data reported on this form and accompanying forms is a true recapitulation of the values of the assessment rolls of Broward county, Florida. I further certify that every figure herein submitted is true and correct to the best of my knowledge; every figure on this form, that had to be revised after the values of the assessment rolls were initially reported, can be documented with (1) A validated change of value or change of exemption order from the value adjustment board (Form DR-485), (2) A document which authorizes official corrections of the assessment rolls (Form DR-409), or (3) otherwise in writing.

Witness my hand and official signature at Fort Lauderdale, Florida, this the 29th day of March, 2001.

**Property Appraiser**

Place an "X" in box if VAB hearings are completed and adjusted values have been included herein.

Reassessed Just Value of Land Designated an Area of Critical State Concern (this amount included in Line 1, Column 1) 193.507, F.S.	0
Just Value of Land Designated an Area of Critical State Concern 193.507, F.S.	0

The codes listed above are intended to describe the nature of the taxing authority and the type of millage. Enter the appropriate number in each of the five code columns. Be as descriptive as possible; separately list each taxing authority in your county according to the characteristics above. List all county commission millages first, then, all school district millages, all dependent special district millages, including municipal service taxing unit millages, and all independent special district millages, including water management district millages. **Millages with like characteristics, i.e, voted or county-wide or less than county-wide, should be listed together within the above categories. Total all taxes levied.** All voter approved debt payments should be specified and listed with the appropriate taxing authority or special district. Round all amounts to the nearest whole dollar. List all non-ad valorem assessments that are included on the tax rolls.

The codes listed above are intended to describe the nature of the taxing authority and the type of millage. Enter the appropriate number in each of the four code columns. Be as descriptive as possible; separately list the various millages of each municipal taxing authority according to the characteristics coded above. Total the levies for all municipalities included herein. All dependent special districts and voter approved debt payments should be listed with the appropriate municipality. Round all amounts to the nearest whole dollar. List all non-ad valorem assessments included on the tax rolls.

The codes listed above are intended to describe the nature of the taxing authority and the type of millage. Enter the appropriate number in each of the five code columns. Be as descriptive as possible; separately list each taxing authority in your county according to the characteristics above. List all county commission millages first, then, all school district millages, all dependent special district millages, including municipal service taxing unit millages, and all independent special district millages, including water management district millages. **Millages with like characteristics, i.e. voted or county-wide or less than county-wide, should be listed together within the above categories. Total all taxes levied.** All voter approved debt payments should be specified and listed with the appropriate taxing authority or special district. Round all amounts to the nearest whole dollar. List all non-ad valorem assessments that are included on the tax rolls.

The codes listed above are intended to describe the nature of the taxing authority and the type of millage. Enter the appropriate number in each of the five code columns. Be as descriptive as possible; separately list each taxing authority in your county according to the characteristics above. List all county commission millages first, then, all school district millages, all dependent special district millages, including municipal service taxing unit millages, and all independent special district millages, including water management district millages. **Millages with like characteristics, i.e, voted or county-wide or less than county-wide, should be listed together within the above categories. Total all taxes levied.** All voter approved debt payments should be specified and listed with the appropriate taxing authority or special district. Round all amounts to the nearest whole dollar. List all non-ad valorem assessments that are included on the tax rolls.
